Sandbank Campsite and the Katahdin Loop

GPS coordinates for Sandbank Campsite

Lat.045d 51m762s

Lon.068d40m447s

Follow directions above until you come to the fork by the Yellow Gate, then bear left on the Swiftbrook Road, you will cross Whetstone Bridge and the Whetsone Campsites and continue straight approximately 5 miles, taking no turns and following the brown KL signs until you come to Sandbank Campsite on your left. This is the only current privy on-site with road access. From the campsite, go straight approximately ½ mile to the beginning of the Katahdin Loop where you will cross a small bridge and the brown gate will be open if road conditions permit. From this point on there will be mile markers 1-16.8. Thank You for Leaving No Trace.
