Hello All:

This email is to document the advice that I provided today regarding entering the information for your initial campaign finance report. Helene informed me that Hydro-Quebec Corp. will be billing Hydro-Quebec BQC for the staff time paid by the Corp. The BQC is currently entering the salary debts that it has incurred from the corp. You will be entering the dates for the hours worked rather than when the person's salary is paid because you have limited time before the holidays and that is easier for your calculations. This may require that the report be amended but will make the information public. I walked you through entering the transactions and how to refile the report.

I will be available tomorrow until 5:00 PM for any questions. I will return on 1/2/2020. If you have questions while I am out please contact my supervisor, Paul Lavin, who is copied on this email. Thank you for your attention in this matter.

Sincerely,

Michael J. Dunn, Esq.

Dear Michael,

By way of update, I wish to inform you that we continue to assess our different outreach activities in Maine over the past month in order to determine what should and shouldn't be disclosed in our initial expense filing.

Due to the complexity in categorizing the different activities (i.e. general outreach activities in Maine as opposed to Ballot Question related activities), we have engaged a Maine consultant to assist us in duly fulfilling our filing obligations.

I assure you that every effort is being made to file the initial financial report as soon as possible and that we anticipate doing so shortly.

Please do not hesitate to contact us should you have any questions in relation to the foregoing

Nicolas
