1. Used as alternative daily cover (ADC)

2. Wood from CDD was received at the Juniper Ridge Landfill wood storage facility

3. Total derived from sum of higher significant digit numbers, not rounded whole numbers as provided in the above table.

4. Non-bypass MSW limited to 81,800 tons in the Original 2004 Permitted Footprint from 01 APR – 31 MAR. Numbers reported above are for calendar years.

5. On 12/27/18, MEDEP approved the disposal of OBW, prior to the completion of the third party audit into the expansion area (complying with Conditions 12(B) & 12(D) of MEDEP solid waste license number #S-020700-WD-BI-N). All 2018 totals listed above under both categories of CDD/MSW Processing Residue - OBW, came in from CDD Processing Facilities. No OBW was received from MSW Processing Facilities in 2018.
