

# Floating Offshore Wind 101

An Educational Panel with Q&A

Wednesday, August 21<sup>st</sup>  
5:30-7:30pm

**Center for Professional Mariner Development**  
24 Mariner Way, Bucksport, ME 04416

**Register Now:**

<https://tinyurl.com/4sxj9mr7>

*(Registration recommended but not required)*

Join us to learn about the climate and economic benefits of offshore wind: the jobs it can create, how it fits with Maine's Climate Action Plan, and how a port will benefit our region.

*Pizza will be served and child care will be available*

## **Speakers:**

- Representative Ronald Russell (District 17)
- Annie Ropeik, Independent Climate Journalist
- Jack Shapiro, Climate and Clean Energy Program Director, NRCM
- Sarah Haggerty, Conservation Biologist/GIS Manager, Maine Audubon
- Scott Cuddy, Director of Membership Development for IBEW 1253

**Hosted by:**

Maine Audubon • Maine Climate Action NOW • Maine Conservation Voters • Maine Labor Climate Council •  
Maine Youth for Climate Justice • Natural Resources Council of Maine • Sierra Club • IBEW1253 • Iron Workers  
Local7 • Building Trades & LiUNA Local 327 • Union of Concerned Scientists
